

# Cheshire Ireland

## Wish List

Cheshire Ireland have many locations around the country, and we are always in need a of bit of help.

This help might be in the form of Arts & Craft Material (we have some fantastic artists in our midst), Windows, Doors, Assisive Technology, Flooring, Alarm Systems, Bathroom /Bedroom furniture and Kitchen Equipment, Coffee Machine (like the ones you would see at your local garage) our list is always filling up, it all helps those we support.

There are of course the smaller items such as curtains/cushions, plants/pots, sensory garden items, everything you might need in your own home.

If you think your business can donate gifts-in-kind, then please contact [fundraising@cheshire.ie](mailto:fundraising@cheshire.ie).

Alternatively you could donate vouchers to us so we can organise a day out here and there or even [monetary donation gift](#) which can be sent directly to us through our website to help with the running of our House? It's easy to do! Just mark it as "Days Out" or "Wish List" in the "Message Box" and we can allocate it to the various services around the country.
